Dear Member:

On May 31, your company ended the fiscal year. At the annual meeting held on June 16th, your Manager gave a full report on the affairs of the company. As the members were not all present at the meeting, we are sending herewith the 1945 Report. We would like to have study this report carefully. You are a partner in this business, along with 670 other members. If this report is not clear to you, do not hesitate to make inquiry at the office, or to the Directors.

The past year has been hard on all of us. The shortage of help on the farm created greater demands on us. We apologize for not being able to give the best of service, but we tried to do all we could under the circumstances. Many things were hard to get, and some impossible to get. We have all groaned under the burden of red tape, and rebelled over the wasted time and energy needed to accomplish the smallest result. Irritated nerves and physical exhaustion was reflected in many ways. We are all happy that the war has come to an end. Let us hope that the boys will soon all come home. May God grant that the world will settle down, so that we can all look forward to a normal life, with some sense of security and contentment in the future.
